

Quality Policy

“Green Star Technologies Private Limited commits to providing the best in class products and services to all its customers. We shall strive to be perceived as a professional company and a trustworthy associate in managing Air Pollution Control at Source. We shall always work with the zeal and enthusiasm coupled with expertise to design products and services that exceeds customer requirement and meets global standards.”

“We shall work to continually improve our systems and processes to ensure quality at all stages and in turn achieve customer delight.”

**Prasad Vyas
Managing Director**
